

# QE2 *A Sunday roast worthy of legendary voyages!*

## Sunday Roast

The Sunday Roast originated in Britain in the 19th century as a hearty meal after church, featuring a roasted cut of meat, potatoes, vegetables, gravy, and Yorkshire pudding. It quickly became a cherished family tradition, symbolizing relaxation and togetherness. Today, the Sunday Roast is enjoyed worldwide, known for its comforting and indulgent nature.

We hope that we continue to uphold this wonderful tradition.

### QE2 Launch 20 September 1967

At precisely 14:28 hours on a sunny afternoon Her Majesty stepped forward on the launching platform and said:

*"I name this ship Queen Elizabeth the Second. May God Bless her and all who sail in her."*

### A Legend in Numbers

The QE2's length is 963 ft (293.5m), and her beam is 105 ft (32m). Her gross tonnage was registered as 65,863 tons and she was able to carry 1892 passengers.

### Longer than the Titanic

The QE2 is longer than the Titanic by about 20 meters, however, can carry less passengers. The maximum capacity was 1892 passengers and 1040 crew.

### First World Cruise

The QE2 embarked on her inaugural world cruise on 4 January 1975, departing from Southampton for a voyage spanning 38,000 miles.

## 25

captains commanded the QE2 over 39.5 years of service.

## 5

### Million Miles

On 29 August 2002, at approximately 21.50 hours ship's time, the QE2 completed five million miles – a world record and a world first.

## CHOOSE YOUR LEGENDARY ROAST

Set sail with your choice of a single roast for AED 115 per person or or Double the Delight, featuring two meats for an additional AED 25.

### Roast Wagyu Beef Rib Eye (D)

For a cut that truly sails - juicy and tender, with a charred edge, just like the QE2's journey to new horizons!

### Rolled Lamb Leg (D)

A tender delight that captures the spirit of the voyage, paired with rich lamb jus!

### Classic Roast Chicken (D)

Golden and exquisitely juicy, just like the QE2's proud hull cutting through the sea!

### Australian Tenderloin (D)

Rich, buttery, and perfectly seared - an exquisite cut that embodies the refinement and grandeur of the QE2!

### Sea Bass Fillet (D)

Delicately crafted, fresh and full of flavor - bringing the essence of the ocean to your plate, just like the QE2's timeless elegance!

### Vegetarian Haslet (G,D)

A hearty, flavorful classic - wholesome and comforting like a warm embrace on the high seas!

Shiraz, Cranberry Juice, Simple Syrup

**1987**

### Introduction of Diesel-Electric Engines

In 1986, work began to convert the QE2's engines from steam to diesel-electric. The iconic funnel had to be removed, and nine diesel-electric engines - each the size of a London double-decker bus - were lowered through the shaft into the engine room.

**1982**

### Supporting the Falklands War

In May 1982, while on a trip out of Philadelphia, her owners received an urgent message from the British Government: "Your vessel, Queen Elizabeth 2, is requisitioned by the Secretary of State under the Requisitioning of Ships Order, 1982. You are accordingly required to place her at his disposal forthwith."

**1975**

### Her First World Cruise

The QE2 embarked on her inaugural world cruise on 4 January 1975, departing from Southampton for a voyage spanning 38,000 miles. Over the course of 92 days, the ship called at 23 ports. This marked the start of her world cruise career, during which she completed 25 in total.

**1969**

### Her Maiden Voyage

After her brief maiden voyage to Las Palmas on 22 April 1969, the QE2 sailed from Southampton to New York on 2 May 1969 for her official maiden transatlantic voyage. This voyage occurred during the same year as the first flight of Concorde and the Moon landing.

**1967**

### The Launching of the QE2

On 20 September 1967, as the Queen and Prince Philip made their way to the launch of what the builders at John Brown's shipyard would refer to as Cunard Liner No. 736. During the ceremony the Queen would later proclaim "I name this ship, Queen Elizabeth the Second. May God Bless her and all who sail in her."

**1995**

### 1000th Voyage & 95 ft. Rogue Wave

In September 1995, while on a westbound voyage from Southampton and Cherbourg to New York City, the QE2 encountered Hurricane Luis. During the storm, she was struck by a massive 95-foot rogue wave, causing significant damage to the vessel's bow.

**1999**

### Millennium Cruise

Part of the Millennium Cruise, the QE2 departed Southampton on December 18, 1999, for a 24-night journey, taking passengers on a round trip to Barbados for New Year's Eve Y2K celebrations. During the voyage, the QE2 rendezvoused with the Caronia, which was on her maiden voyage, for a joint celebration.

**2002**

### Her First World Cruise

On 29 August 2002, at approximately 21:50 ship's time, the QE2 completed five million miles at sea while returning to Southampton from New York—setting a world record and becoming the first ship to achieve this milestone.

**2008**

### Final World Cruise

After 40 years of service, the world bid a fond farewell to this beloved vessel before it was decommissioned and set to be converted into a floating hotel in Dubai. On 26 November 2008, the QE2 was escorted by HMS Lancaster, a Duke-class Type 23 frigate of the Royal Navy, along with a flotilla of smaller boats, to her new home in Port Rashid, Dubai, in the United Arab Emirates.

**2018**

### Hotel Opening

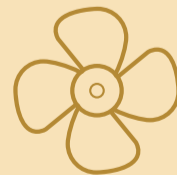

Following an extensive refurbishment, the iconic QE2 once again opened her doors to welcome guests aboard. Now a one-of-a-kind floating hotel, guests have the opportunity to experience her 50 years of history and heritage through guided tours of the Captain's Bridge, Boat Deck, and Traveler's Cove Museum.

In June 1970, the QE2 crossed the Atlantic in a record time of three days, 20 hours and 43 minutes

The diesel engines onboard the QE2 once produced enough energy to power the entire Emirate of Fujairah

The QE2 total sailing time was the equivalent to 20 years of non stop motion

The length of the QE2 is just over a third of the height of the Burj Khalifa

The QE2 boasted the largest cinema at sea with a capacity of over 531 seats

812

The liner completed 812 Atlantic crossings in its lifetime
